EXPERIENCE

Intern Web Developer | ISEC **03/2025 - 09/2025**

Designed and developed a website for the Student Mental Health Program on campus, using Figma, HTML, Wordpress, CSS, and JavaScript.

Intern Web Developer | Simbiose **03/2025 - 09/2025**

Participated in the development of a restaurant management system, implementing CRUD functionalities using **C#** and **MySQL**. Worked with relational databases, backend logic, and collaborated with the team to deliver maintainable and efficient features.

EDUCATION

Degree in Software engineer | ISTEC Lisboa **10/2025 - 09/2028**

The degree focuses on strong base knowledge and modern programming skills.

CTESP Multimedia Product Development | ISTEC Lisboa **09/2023 - 09/2025**

The course focused on practical, project-based learning, covering essential skills such as C /C++ programming, HTML, CSS, MySQL database management, game development in C#.

Software Engineer| 42 Lisboa **09/2023 - 09/2025**

Peer-to-peer learning program focused on low-level programming and problem solving. I worked extensively with Git and the Unix shell, and developed strong skills in C.
